2010

Ecosystem Services on Corporate Lands
Conference

June 24-25, 2010

Crowne Plaza Hotel
Silver Spring, MD

- Share the latest developments on using ecosystem services to restore and manage private land
- Hear from corporate peers on lessons learned to date from ongoing ecosystem services site management reviews
- Analyze risks and opportunities associated with ecosystem degradation and ecosystem service considerations
- Identify future WHC projects and opportunities for incorporating ecosystem services into corporate strategies and decision making

Who Should Attend?

- *Corporate Sustainability Executives, Site Managers, and Remediation managers*
- *Local, State and Federal Agencies*
- *Service Providers and Environmental Consultants*
- *Environmental Organizations*
- *Community Groups*

We hope to see you there!
