

# CONSERVATION CONFERENCE 2017 ROI

November 8-9 | Baltimore, MD

In today's financial climate, we understand the demands on budgets and the need to justify your time away from the office. That's why we've developed a robust two-day agenda for you to learn valuable strategies and tactics that you can put into action and help advance your company's sustainability and biodiversity goals. **That's time and money well spent.**

*Learn from corp, gov't and NGO leaders who are helping manage lands to support sustainable ecosystems and the communities that surround them. Participating organizations include:*

- ATC • BASF • Bat Conservation Int'l • Boeing • Bridgestone Americas • Dow/Union Carbide • ExxonMobil • GM • Humane Society Wildlife Land Trust • Koch Industries • LafargeHolcim • Monsanto • National Audubon Society • NEEF • National Marine Sanctuary Foundation • NatureServe • N. American Land Trust • OPG • P. Flanigan & Sons • Penn State • Pepco • Pollinator Partnership • Project Learning Tree • Univ. of Arizona • U.S. Forest Service • Waste Management • Wildlife Acoustics

- 500** attendees FROM ALL INDUSTRY SECTORS
- 30** exhibitors SHOWCASING INNOVATIVE IDEAS
- 5** meals INCLUDING AWARDS DINNER
- 1** cocktail reception SPONSORED BY BACARDI

**Learning specific to your needs:**

- Corporate Series
- Technical Series
- Starter Series
