

CONSERVATION CONFERENCE 2016 ROI

November 2-3 | Baltimore, MD

In today's financial climate, we understand the demands on budgets and the need to justify your time away from the office. That's why we've developed the Conservation Conference for you to learn valuable strategies and tactics that you can put into action and help advance your company's sustainability and biodiversity goals. **That's time and money well spent.**

Learning specific to your needs:

- Corporate Series
- Technical Series
- Starter Series

Hear from corp, gov't and NGO leaders including:

- CEMEX • DTE Energy • Ducks Unlimited • ExxonMobil • General Motors • Georgia Pacific • National Aquarium • National Environmental Education Foundation • National Wildlife Federation • Nicholas Institute for Environmental Policy Solutions at Duke University • PSEG • Summit Materials • U.S. Chamber of Commerce Foundation • U.S. Environmental Protection Agency • U.S. Forest Service • Yellowstone River Research Center at Rocky Mountain College
